* If the claim is dependent on another claim, the highest number previously paid for that claim will be used.
 ** If the claim is dependent on another claim, the highest number previously paid for that claim will be used.
 The "Highest Number Previously Paid For" is determined by the highest number previously paid for any claim which is a direct or indirect parent of the claim being processed.
 If there is more than one parent, the highest number previously paid for any one of those parents will be used.
